Online Application Deadline: Monday, August 22, 2022, 4 p.m. HST

OVERVIEW

The Community Grants Program provides project- or program-based funding to nonprofit organizations benefitting the communities and people of Hawai'i. Specific community funds established at the Hawai'i Community Foundation (HCF) support the Community Grants Program. Advisory committees will review proposals and make grant recommendations to support projects or programs that are most consistent with the purpose and priorities of each fund.

East Hawai'i Fund

The purpose of this fund is to benefit the people and communities of East Hawai'i, from Waipi'o Valley to Waiohinu. The East Hawai'i Fund especially welcomes applications that involve people and organizations from different sectors of the community who are working together to address an issue of concern to the community. Preference will be given to projects that address a community need in one or more of the following areas:

- Educational opportunities with an emphasis on early childhood, after school/out-of-school experiential opportunities for youth, and/or preparedness for education and career success
- Strengthening intergenerational relationships
- Economic sufficiency for self, family, and community
- Family-centered and integrative approaches to health care
- Social conditions such as poverty, domestic violence, substance abuse, or crime
- Recreational opportunities with an emphasis on family and/or intergenerational activities

West Hawai'i Fund

The West Hawai'i Fund was established for the benefit of the people and communities of West Hawai'i, from North Kohala to Ocean View Estates. The West Hawai'i Fund aims to support programs that address equitable and inclusive access to services, build resilience and connection between different sectors of the community, and strengthen the long-term capacity of individuals and organizations to become healthy, vibrant, and sustainable. Preference will be given to organizations based in West Hawai'i.

Kūki'o Community Fund

The Kūki'o Community Fund is interested in supporting programs that prepare Hawai'i Island youth for success in school, work, and life by supporting education and youth development. The fund focuses on the young people of Hawai'i Island because their success has a ripple effect on the entire community. KCF welcomes applications from youth-supporting organizations that contribute to the overall education, health, and wellbeing of our island's students and their future.
