FOUNDATION

Maui Strong Funding Opportunity

For Requests under \$250,000*

Online Application Deadline: No deadline. Applications will be received on an on-going basis.

OVERVIEW

The Maui Strong Fund is providing financial resources to support the immediate and long-term recovery needs for the people and places affected by the devastating Maui wildfires. Maui Strong Fund grants will align with HCF's four-phase approach to disaster response: risk reduction and disaster readiness, rapid relief and response, recovery and stabilization, and rebuilding resilience.

In line with our four-phase approach, HCF will transition our grantmaking from supporting rapid relief and response needs to recovery, stabilization, and resilience efforts. Our grantmaking will align with the Federal Emergency Management Agency (FEMA)¹ and Maui County's Office of Recovery² plans for recovery support in the following focus areas:

- **Health & Social Services** – disaster case management; crisis counseling; primary healthcare; behavioral & mental health; specialty healthcare (mental healthcare, physical therapy, etc.); education; food and nutrition; social services; environmental public health and stability.
- **Housing** – housing assistance (interim and permanent housing solutions); housing recovery planning; rebuilding and mitigation strategies; housing development, and housing navigation services.
- **Economic** – strategies to restore economic activity; economic development; and workforce development.
- **Natural & Cultural Resources** – restoration and protection of cultural and natural ecosystems, landmarks, and cultural sites and resources.

Please reach out to HCF if you are unsure if the proposed program is in alignment with one or more of the focus areas.
