

Cooke Foundation, Limited
Fiscal Year 2022 Grant Application Guidelines
(effective July 1, 2021 through June 30, 2022)

Mission

The Cooke Foundation supports worthy endeavors in the community that the family feels will make a significant difference in the betterment and welfare of the people of Hawai`i.

Eligibility and priorities

- The Foundation's priority interests are arts, culture, and humanities; education; environment; and human services. The Foundation may make grants in other areas of interest at the discretion of the Trustees, but unsolicited applications outside its priority interests will not be considered.
- Applicants must be classified under section 501(c)(3) of the Internal Revenue Code or must apply through a fiscal sponsor with 501(c)(3) status. The Foundation does not make grants to supporting organizations classified under section 509(a)(3) of the Internal Revenue Code.
- Applicants and/or fiscal sponsors must be in existence for five years based on the IRS ruling date of federal income tax exemption and be in stable financial condition. Applicants and/or fiscal sponsors that do not meet the five-year eligibility requirement must be sponsored by a Cooke Foundation Trustee.
- The Foundation does not generally fund loans; endowments; funds for re-granting; conferences, festivals, and similar one-time events; religious programs; activities that have already occurred; scholarships; and grants or direct cash payments to individuals or for the benefit of identified individuals.
- Applications from a unit of the University of Hawai`i must be submitted through the University of Hawai`i Foundation.
- A grantee may not receive more than one grant in any fiscal year (July through June), except that a grantee serving as the fiscal sponsor for another organization may receive a second grant for its own project. Fiscal sponsors are eligible to sponsor multiple projects at a time, including their own; however, the Foundation's guidelines below, regarding ongoing funding and support for two consecutive fiscal years, will apply to fiscally sponsored organizations, as well as organizations serving as a fiscal sponsor.
- The Cooke Foundation encourages Hawaii non-profit organizations to build their long-term sustainability through support from diverse funding sources such as foundation grants, public grants and contracts, individual donations, and earned income. The Foundation generally does not provide ongoing funding, support any one program for more than two consecutive fiscal years, or fund any one organization for more than two consecutive fiscal years.
- The Foundation may choose to fund over a number of years. In the case of a multi-year pledge, payments are released in twelve-month intervals, and each payment is contingent on receipt of a satisfactory progress report.
- Requests for more than \$20,000 must be sponsored by a Cooke Foundation Trustee.
- Requests for more than \$5,000 should demonstrate that the Cooke Foundation portion of the budget does not exceed 30% of the total project budget.
- The Foundation does not accept incomplete applications or applications from organizations with overdue reports.
